

Arabi Achraf

Backend and Web Designer

achraf.arabi@yahoo.com

Annaba, Annaba, 23000, Algeria | +213 542799884

Full-stack developer and a big data analysis, proficient in JavaScript, React, Next.js, mobile apps, and Cloud Services.

Work Experience

Web Designer

Jun 2023 - Present

Developed and customized professional websites using WordPress, Wix, Elementor, and Shopify. Ensured responsive, fast, and SEO-optimized designs, integrated e-commerce and booking systems, and provided ongoing maintenance and troubleshooting.

Full-Stack Developer

Mar 2022 - Present

Developed and maintained full-stack projects using modern front-end (React.js, Next.js, HTML, CSS, JavaScript, Tailwind CSS, Bootstrap) and back-end (Node.js, Express.js, PostgreSQL, MongoDB, MySQL, Firebase) technologies. Built scalable REST APIs, integrated authentication systems (Passport.js, Firebase Authentication), and created e-commerce platforms, dashboards, and data-driven applications while optimizing performance and leading projects from design to deployment.

UI/UX Designer

May 2021 - Present

Crafted engaging UIs using Figma, Adobe Suite (Photoshop, Lightroom, Xd), and Canva; developed interactive wireframes, prototypes, and designs for web and mobile apps; and enhanced user experience through research and testing focused on accessibility and modern trends.

Core Skills

Programming Languages: Python, Java, JavaScript, HTML, CSS, Dart, Frameworks & Libraries: Node.js, React, React Native, Expo, Flutter, NextJS, Postman, Express.js, Firebase, Web Development: Wordpress/wix Design & Development, WooCommerce, Elementor, Database: MySQL, SQL, Firebase Firestore, MongoDB, PostgreSQL, NoSQL, UI/UX Designer: Figma, Canva, Inkscape, Adobe(Photoshop, Lightroom, XD)
